The committee hopes that you have saved the date from our last email and you are ready for details. We are excited to be going back to the Firemen's Club in East Greenwich for this year's gathering. The view of the bay is wonderful.

Come on down and hang out with classmates, hear music from the 60's, have fun with trivia from our high school years ... and, there can be a few surprises!!

Don't miss a delightful time with your peers. *Spread the word!*
